No. of questions						
Performance						

	TASK A: ENVIRONMENTAL ACTIVITIES	
• `	Draw and name one weather symbol experienced in your cour	nty
		(1mk)
_		
	Give one example of unfavourable weather conditions experie	ncod in
	our countryseason	(1mk)
	•	(TITIK)
	Explain the effects of the strong wind.	(1mk)
	Draw and name one source of water	(1mk)
		ن .
	Name one thing that makes the water source drawn above to	become
	dirty	(1mk)
	Name the coll which is comment.	
	Name the soil which is commonly found in river beds	_(1mk)
	List one characteristics of the sand soil	(1mk)
	Draw and name one non-edible plant	(1mk)
		,
		*
	Kei apples are planted around our homes to make a	(21-)
	(fence, house)	(1mk)
	can be put into the soil to add more nutrients.	(1mk)
	Explain what you can do incase there is a fire breakout	(1mk)
	What is a market?	
	Name one thing found in your companies and it is showed.	(1mk)
	Name one thing found in your community and it is shared (1m	Kj.
	Who is a stranger?	
	(1m	k)
*	Things that surround us make our(environme	
RT	B: HYGIENE AND NUTRITION ACTIVITIES	
	a) Write one reason why we should ride a bicycle	(1mk)
	b) Explain what would happen when oral hygiene is	(1mk)
	not well observed	/1 I-X
		(1mk)
RI		(1mk)
•	a)-Write one reason why we should ride a bicycle	(11111/)
	b) Explain what would happen when oral hygiene is	<u>(</u> 1mk)
	not well observed	.,,

Name one thing that makes our classrooms dirty	Draw the tooth cavity	(1mk)
Draw and name any two kitchen utensils found at home		
Draw and name any two kitchen utensils found at home	Name of the first wards and the second secon	
We go to the hospital when we are		
Write one reason why we should store medicine properly Means making our water sources dirty (contamination, cleaning) Name one crop that can be grown in a kitchen garden Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) (Expiry, Manufacturing) PART A: ART AND CRAFT ACTIVITIES Explain the meaning of the word drawing (1mk) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks)	1) iii	(ZIIIKS)
Write one reason why we should store medicine properly Means making our water sources dirty (contamination, cleaning) Name one crop that can be grown in a kitchen garden Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) (Expiry, Manufacturing) PART A: ART AND CRAFT ACTIVITIES Explain the meaning of the word drawing (1mk) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks)		
Write one reason why we should store medicine properly Means making our water sources dirty (contamination, cleaning) Name one crop that can be grown in a kitchen garden Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) (Expiry, Manufacturing) PART A: ART AND CRAFT ACTIVITIES Explain the meaning of the word drawing (1mk) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks)		
Write one reason why we should store medicine properly Means making our water sources dirty (contamination, cleaning) Name one crop that can be grown in a kitchen garden Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) Explain why we should urinate before going to bed (1mk) (Expiry, Manufacturing) PART A: ART AND CRAFT ACTIVITIES Explain the meaning of the word drawing (1mk) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks) (2mks)		
Means making our water sources dirty (contamination, cleaning) Name one crop that can be grown in a kitchen garden Explain why we should urinate before going to bed		·
(contamination, cleaning) Name one crop that can be grown in a kitchen garden Explain why we should urinate before going to bed means the date food was made (Expiry, Manufacturing) PART A: ART AND CRAFT ACTIVITIES Explain the meaning of the word drawing is the application of colours on a surface (dancing, painting) Study the pattern below and name (Imk) is the picture making technique which involves using the cutting out different images and pasting on the surface. (Imk) (Montage, painting) Write two importance of doing montage as an activity. a) b) Name two locally available materials that can be used to make ornaments a) b) What is modeling? (2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community a) b) Draw and name any two string instruments (2mks)	while one reason why we should store medicine properly	(TMK)
(contamination, cleaning) Name one crop that can be grown in a kitchen garden Explain why we should urinate before going to bed means the date food was made (Expiry, Manufacturing) PART A: ART AND CRAFT ACTIVITIES Explain the meaning of the word drawing is the application of colours on a surface (dancing, painting) Study the pattern below and name (Imk) is the picture making technique which involves using the cutting out different images and pasting on the surface. (Imk) (Montage, painting) Write two importance of doing montage as an activity. a) b) Name two locally available materials that can be used to make ornaments a) b) What is modeling? (2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community a) b) Draw and name any two string instruments (2mks)	Means making our water sources dirty	
Explain why we should urinate before going to bed	(contamination, cleaning)	(1mk)
means the date food was made [Expiry, Manufacturing] PART A: ART AND CRAFT ACTIVITIES Explain the meaning of the word drawing is the application of colours on a surface (dancing, painting) Study the pattern below and name is the picture making technique which involves using the cutting out different images and pasting on the surface. (Imk) (Montage, painting) Write two importance of doing montage as an activity. (2mks) a) b) Name two locally available materials that can be used to make cornaments (2mks) a) What is modeling? (2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community (2mks) Draw and name any two string instruments (2mks)	Name one crop that can be grown in a kitchen garden	(1mk)
means the date food was made [Expiry, Manufacturing] PART A: ART AND CRAFT ACTIVITIES Explain the meaning of the word drawing is the application of colours on a surface (dancing, painting) Study the pattern below and name is the picture making technique which involves using the cutting out different images and pasting on the surface. (Imk) (Montage, painting) Write two importance of doing montage as an activity. (2mks) a) b) Name two locally available materials that can be used to make cornaments (2mks) a) What is modeling? (2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community (2mks) Draw and name any two string instruments (2mks)		
means the date food was made (Expiry, Manufacturing) PART A: ART AND CRAFT ACTIVITIES Explain the meaning of the word drawing is the application of colours on a surface (dancing, painting) Study the pattern below and name is the picture making technique which involves using the cutting out different images and pasting on the surface. (Imk) (Montage, painting) Write two importance of doing montage as an activity. (2mks) a) b) Name two locally available materials that can be used to make cornaments (2mks) a) What is modeling? (2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community (2mks) Draw and name any two string instruments (2mks)	Explain why we should uringte before going to bed	(1mk)
(Expiry, Manufacturing) PART A: ART AND CRAFT ACTIVITIES Explain the meaning of the word drawing is the application of colours on a surface (dancing, painting) Study the pattern below and name (1m²;) is the picture making technique which involves using the cutting out different images and pasting on the surface. (1mk) (Montage, painting) Write two importance of doing montage as an activity. (2mks) a) b) Name two locally available materials that can be used to make ornaments (2mks) a) b) What is modeling? (2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community a) b) Draw and name any two string instruments (2mks)		(max)
(Expiry, Manufacturing) PART A: ART AND CRAFT ACTIVITIES Explain the meaning of the word drawing is the application of colours on a surface (dancing, painting) Study the pattern below and name is the picture making technique which involves using the cutting out different images and pasting on the surface. (1mk) (Montage, painting) Write two importance of doing montage as an activity. a) b) Name two locally available materials that can be used to make ornaments a) b) What is modeling? (2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community a) b) Draw and name any two string instruments (2mks)	means the date food was made	(1mk)
is the application of colours on a surface (dancing, painting) Study the pattern below and name is the picture making technique which involves using the cutting out different images and pasting on the surface. (Montage, painting) Write two importance of doing montage as an activity. (a) b) Name two locally available materials that can be used to make ornaments (a) b) What is modeling? (2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community (2mks) (2mks) (2mks) (2mks)		
is the application of colours on a surface (dancing, painting) Study the pattern below and name (1mix) is the picture making technique which involves using the cutting out different images and pasting on the surface. (1mk) (Montage, painting) Write two importance of doing montage as an activity. (2mks) a) b) Name two locally available materials that can be used to make ornaments (2mks) a) What is modeling? (2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community (2mks) Draw and name any two string instruments (2mks)	PART A: ART AND CRAFT ACTIVITIES	
is the picture making technique which involves using the cutting out different images and pasting on the surface. (1mk) (Montage, painting) Write two importance of doing montage as an activity. (2mks) a) b) Name two locally available materials that can be used to make cornaments a) b) What is modeling? (2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community a) Draw and name any two string instruments (2mks)		
a)	Explain the meaning of the word drawing is the application of colours on a surface (da	ıncing, painting)
Name two locally available materials that can be used to make ornaments (2mks) a) b) What is modeling? (2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community (2mks) a) b) Draw and name any two string instruments (2mks)	is the application of colours on a surface (da Study the pattern below and name is the picture making technique which involcutting out different images and pasting on the surface. Montage, painting)	(1mk) ves using the
ornaments a)	is the application of colours on a surface (da Study the pattern below and name is the picture making technique which involve the cutting out different images and pasting on the surface. Montage, painting) Write two importance of doing montage as an activity.	(1mk) ves using the
(2mks) PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community a)	is the application of colours on a surface (da Study the pattern below and name is the picture making technique which involventing out different images and pasting on the surface. Montage, painting) Write two importance of doing montage as an activity.	ves using the (1mk)
PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community a)	is the application of colours on a surface (da Study the pattern below and name is the picture making technique which involventing out different images and pasting on the surface. Montage, painting) Write two importance of doing montage as an activity.	ves using the (1mk) (2mks)
PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community a)	is the application of colours on a surface (da study the pattern below and name is the picture making technique which involventing out different images and pasting on the surface. Montage, painting) Write two importance of doing montage as an activity. (a) Name two locally available materials that can be used to bornaments	ves using the (1mk) (2mks) make (2mks)
PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community (2mks) a)	is the application of colours on a surface (da study the pattern below and name is the picture making technique which involventing out different images and pasting on the surface. Montage, painting) Write two importance of doing montage as an activity. (a) Name two locally available materials that can be used to bornaments	ves using the (1mk) (2mks) make (2mks)
a) b) Draw and name any two string instruments (2mks)	is the application of colours on a surface (da study the pattern below and name is the picture making technique which involventing out different images and pasting on the surface. Montage, painting) Write two importance of doing montage as an activity. (a) Name two locally available materials that can be used to bornaments	ves using the (1mk) (2mks) make (2mks)
Draw and name any two string instruments (2mks)	is the application of colours on a surface (da Study the pattern below and name is the picture making technique which involoutting out different images and pasting on the surface. Montage, painting) Write two importance of doing montage as an activity. a) Name two locally available materials that can be used to cornaments b) What is modeling?	ves using the (1mk) (2mks) make (2mks)
	is the application of colours on a surface (da study the pattern below and name is the picture making technique which involventing out different images and pasting on the surface. Montage, painting) Write two importance of doing montage as an activity. a) Name two locally available materials that can be used to bornaments a) What is modeling? PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community	ves using the (1mk) (2mks) make (2mks) (2mks)
	is the application of colours on a surface (da Study the pattern below and name is the picture making technique which involuting out different images and pasting on the surface. Montage, painting) Write two importance of doing montage as an activity. a) Name two locally available materials that can be used to cornaments b) What is modeling? PART B: MUSIC ACTIVITIES Name any two types of songs sang in your community b)	ves using the (1mk) (2mks) (2mks) (2mks) (2mks)
	is the application of colours on a surface (da study the pattern below and name is the picture making technique which involventing out different images and pasting on the surface.
