

# Clothing Construction. (PP2)

TERM 1/2016: HOME SCIENCE

A pattern of a child's Skirt. Study the Sketch, the Question paper and the layout carefully before you begin the test.

## Material provided

(i) Pattern Pieces of the Skirt

A: Skirt front Panel (Right)

B: Skirt front Panel (Left)

C: Skirt Back

D: Pocket

E Skirt Frill

(ii) Light weight material

(iii) Sewing thread.

## The Test:

Make up the skirt showing the following

- 1: Making of the back dart
- 2: Attach the Right skirt front panel to Left skirt front panel using machine fell seam.
- 3: The preparation and attaching of the pocket
- 4: Attaching the Side seam of a skirt using French seam
- 5: Prepare and attach the skirt frill to the skirt using overlaid seam. Neaten the seam 6cm from the centre front.
- 6: The preparation of the skirt hem and slip hemming it.

NB - Sew a single fabric bearing your name and index number.

- Remove pins and needles from your work
